Local Coaches who have achieved the NCAP Level 1 Theory will need to complete the workshop titled “Values and Principles in Sport” to be eligible to take the online and classroom modules above. Local Coaches in this category need not take Basic Sports Science.

### Waiver

Local Coaches (freelance or foreign coaches employed in Singapore) with certificates from external organisations (overseas) are eligible to apply for waiver.

Local Coaches who have been coaching for more than 10 years and have showcased consistent results and produced athletes who represented Singapore minimally at SEA Games level will also be eligible to apply for a waiver.

Documents required to apply for waiver are

- 1) Waiver Application Form
- 2) Certificate(s)
- 3) Syllabus (if applicable)

Once the waiver is processed, the certificate will be listed with the requirements (if any) for the participant to attain the relevant SG-Coach Level.

### **Foreign Coaches**

For Foreign Coaches coming to Singapore for a swimming competition or short term (3 months or less) training camp, foreign coaches will not be required to apply for NROC membership.

Foreign Coaches are required to fulfil the relevant work pass or visa requirements as required by the respective agency.

To get a deck pass for competitions, the respective federation must submit a clearance letter for the foreign coach to get temporary accreditation for the duration of the competition or training.

No unaccredited coach will be given access to the competition venue either during practice or during event.
